Teens taking TRACTION to prevent traffic crashes

ACTION PLAN

1. PROBLEM IDENTIFICATION (State problem briefly and clearly.)

The problem in New Madrid county is that no one wears seat belts and they are reckless drivers.

2. GOAL (What do we hope to achieve?)

Our goal is to encourage our peers to wear seat belts and to stop recklessly.

3. OBJECTIVE (In order to work effectively toward reaching the goal, WHO will do WHAT to/for WHOM by WHEN and HOW will the results be measured?)

The family Resource Center will bring in speakers and have plays for our school and community. We plan to do this on homecoming. We will measure results with seatbelt checks.

4. OBSTACLES (What might stand in the way of achieving the goal?)

time
administration
money

5. RESOURCES (What people, places, or things might help with achieving the goal?)

Resource center
local law enforcement
administration

6. STRATEGIES (List the tasks that may be necessary to do in order to achieve the goal.)

Talk to administration, Pre seatbelt check, Speakers, docudrama, post seat belt checks

Twin Rivers
High School

ACTION PLAN

Black
Cape 18

1. PROBLEM IDENTIFICATION (State problem briefly and clearly.)

Not enough students at T.R.H.S. were seatbelts when
driving and riding in vehicles and many drivers drink and drive.

2. GOAL (What do we hope to achieve?)

Increase seatbelt usuage and decrease drunk driving.

3. OBJECTIVE (In order to work effectively toward reaching the goal, WHO will do WHAT to/for WHOM by WHEN and HOW will the results be measured?)

The SADD club will bring Penny and do a Docu Drama for the students
at Twin Rivers to increase seatbelt usuage and decrease drunk driving by the
end of November. The club will conduct a driving survery to measure the
results.

4. OBSTACLES (What might stand in the way of achieving the goal?)

Adminasation
Lack of Money
Students don't pay attention

5. RESOURCES (What people, places, or things might help with achieving the goal?)

Students
Police Dep.
Fire Dep.

6. STRATEGIES (List the tasks that may be necessary to do in order to achieve the goal.)

Talk to teachers and adminastration, Do the pre
and post survery, and call the Junk yard.

Teens taking

TRACTION

to prevent traffic crashes

ACTION PLAN

1. PROBLEM IDENTIFICATION (State problem briefly and clearly.)

Not enough people at Saxony have knowledge about traffic safety and the significance of seatbelts as soon as you get in the car.

2. GOAL (What do we hope to achieve?)

Increase knowledge and involvement in following traffic safety laws and seatbelt usage.

3. OBJECTIVE (In order to work effectively toward reaching the goal, WHO will do WHAT to/for WHOM by WHEN and HOW will the results be measured?)

The Traction Team will have Trooper Parrott come speak to inform us on traffic safety and seat belt usage. The Team will conduct surveys for results

4. OBSTACLES (What might stand in the way of achieving the goal?)

competition w/ other clubs
not enough participation
time frame

5. RESOURCES (What people, places, or things might help with achieving the goal?)

Money   experience
open-minded principal
connections   space/facility

6. STRATEGIES (List the tasks that may be necessary to do in order to achieve the goal.)

Meet with administrators for permission.
create and send surveys to reach people and view results
contact Trooper Parrott about speaking.
schedule meeting!

Teens taking
TRACTION
to prevent
traffic crashes

ACTION PLAN

1. PROBLEM IDENTIFICATION (State problem briefly and clearly.)

The students at UHS have a tendecy to drive rechlessly and not practice seatbelt safty.

2. GOAL (What do we hope to achieve?)

Increase more careful driving and more use of seatbelts within UHS.

3. OBJECTIVE (In order to work effectively toward reaching the goal, WHO will do WHAT to/for WHOM by WHEN and HOW will the results be measured?)

The UHS trend club will hold an assembly with ThinkFirst informing the students of UHS about prevention of reckless driving and promotion of seatbelt saftey by December. The club will conduct an anonymous survey before and after the preseitation.

4. OBSTACLES (What might stand in the way of achieving the goal?)

Participation with surveys
Time
Schedules

5. RESOURCES (What people, places, or things might help with achieving the goal?)

Space, Action plan
Presitation
Staff support

6. STRATEGIES (List the tasks that may be necessary to do in order to achieve the goal.)

Talk to Administration, Contact Think First, Create Pre and Post surreys, Hold meeting.

TRACTION

**to prevent
traffic crashes**

Notre Dame   July 24 2018

ACTION PLAN

Cape 18

1. PROBLEM IDENTIFICATION (State problem briefly and clearly.)

A lot of students at Notre Dame drive while under the influence of alcohol or drugs, and not enough wear their seat belt

2. GOAL (What do we hope to achieve?)

Get the students to not drive under the influence and get all students to wear their seat belt.

3. OBJECTIVE (In order to work effectively toward reaching the goal, WHO will do WHAT to/for WHOM by WHEN and HOW will the results be measured?)

What→We are going to do a video of interviews on distracted driving and not wearing their seatbelts. When→1st quarter

4. OBSTACLES (What might stand in the way of achieving the goal?)

other students
reputation
lack of participation
permission

5. RESOURCES (What people, places, or things might help with achieving the goal?)

SADD meeting moderators, SADD club, NDTV, Traction, interviewees

6. STRATEGIES (List the tasks that may be necessary to do in order to achieve the goal.)

Have SADD meeting, find interviewer, make & edit video, pick time to show - after mass, feedback form, send link of video out, ask permission

Teens taking
TRACTION
**to prevent**
traffic crashes

ACTION PLAN

1. PROBLEM IDENTIFICATION (State problem briefly and clearly.)

Too many students at PHS aren't wearing seatbelts and drive while distracted.

2. GOAL (What do we hope to achieve?)

Decrease the amount of students driving distracted and increase the amount of students wearing seatbelts.

3. OBJECTIVE (In order to work effectively toward reaching the goal, WHO will do WHAT to/for WHOM by WHEN and HOW will the results be measured?)

The PHS Beta will conduct the ghost out to educate the student body about the fatal consequences of distracted driving by Nov 9th. A survey will be conducted and a seat belt check will take place.

4. OBSTACLES (What might stand in the way of achieving the goal?)

Other students, time, weather, funds, participation, parents, reality.

5. RESOURCES (What people, places, or things might help with achieving the goal?)

administrators, PD, DG, students, gift cards, schoolboard, parents, google docs.

6. STRATEGIES (List the tasks that may be necessary to do in order to achieve the goal.)

Gain approval by admin, have a club meeting, pick day to plan, gain information to make impact, and gather supplies.

Teens taking TRACTION to prevent traffic crashes

ACTION PLAN

1. **PROBLEM IDENTIFICATION (State problem briefly and clearly.)**

Not enough students at Malden High School wear their seat belts while driving.

2. **GOAL (What do we hope to achieve?)**

We hope to increase the number of students wearing seat belts.

3. **OBJECTIVE (In order to work effectively toward reaching the goal, WHO will do WHAT to/for WHOM by WHEN and HOW will the results be measured?)**

The Malden SADD Club will have an assembly for the students at Malden High School students that involves speakers, competitions, and information from car surveys to help raise the usage percentage of seatbelts by the end of the year.

4. **OBSTACLES (What might stand in the way of achieving the goal?)**

Our obstacles involve fundraising, Admin, student involvement, time, and organization within our school and club.

5. **RESOURCES (What people, places, or things might help with achieving the goal?)**

Our resources include Mrs. Crane, information, venue, and planning.

6. **STRATEGIES (List the tasks that may be necessary to do in order to achieve the goal.)**

Conduct meetings, pre survey, contact speakers, conduct assembly, closing survey

Teens taking

TRACTION

to prevent traffic crashes

ACTION PLAN

1. PROBLEM IDENTIFICATION (State problem briefly and clearly.)

Too many students at Oran Highschool Drink while Driving, as well as not using proper seat belt usage.

2. GOAL (What do we hope to achieve?)

Decrease the amount of Drunk Driving, and increase the amount of proper seat belt usage.

3. OBJECTIVE (In order to work effectively toward reaching the goal, WHO will do WHAT to/for WHOM by WHEN and HOW will the results be measured?)

Starting in September, the traction team, will do activities once a month such as "Every 15 minutes", at Oran Highschool, to promote safe driving habits. We will measure the results by using surveys.

4. OBSTACLES (What might stand in the way of achieving the goal?)

Lack of Student Support
Getting Approval
Schedule

5. RESOURCES (What people, places, or things might help with achieving the goal?)

Teachers
Admin
Friends

6. STRATEGIES (List the tasks that may be necessary to do in order to achieve the goal.)

1. Approval
2. Planning
3. Meeting
4. Surveys
